Mock Tests

Pre-payment is needed to secure your child's place on a Mock test. Please see our Payments & Refunds Policy for further details including the multi-bookings T&C's. Booking & payment confirms you agree with our Mock Test Policy. If you do not agree with Our Payment and Refund Policy or any of our T&C's then please do not book or pay any of Our services.

What you can expect from Our Mock Tests

We create our Mock Tests based on the GL Assessment Tests which are the exam board who write the 11+ papers for Bournemouth & Poole grammar schools. We do not send the papers home, nor will We be able to provide them after the tests. The answers will also not be sent home. The papers are our intellectual property, we do not sell our papers, they are only for the children who take our Mock Tests.

Once a Mock morning is completed, we will mark your child's papers and collate their results. You will then receive our feedback in the form of a detailed report summary, which will include your child's scores, percentages, additional data and feedback on their areas for improvement. We do not list individual questions or examples of the questions that were incorrect.

If conditions out of Our control mean that a Mock Test(s) cannot run, then an alternative provision will be made or the Mock Test(s) will be rearranged. We are committed to continued, consistent and high quality tuition.
