CORONAVIRUS (COVID-19)

What we are doing to minimise risk at our 11+ Tuition Hubs

We are following the advice of Public Health England & will continue to stay up-to-date & proactive with all developing advice.

In the interest of safety, and to play our part in stopping the spread, all staff will be taking a rapid lateral flow test the day before each 11+ Tuition Hub. It is your social and moral responsibility to not send your child in if they are displaying any symptoms associated with Coronavirus (COVID-19), if they have been asked to self-isolate or anyone in your household has symptoms or has tested positive in the last 10 days. Please do inform us if this is the case. We ask this in the interest of, and respect for, all other children and staff in attendance.

All children will be asked to use the anti-bacterial hand sanitizer provided at the start & end of each Hub session. Staff will be diligently using hand sanitizer throughout the sessions.

We will disinfect all the tables, chairs and educational materials the children come into contact with at the start & end of each session.

We will do our very best to ensure that fresh air can flow through our Poole & Bournemouth venues so for this reason please send your child along with warm clothes for them to wear if it's cold outside.
